

What ever happened to Church History?

Ever wondered what Christians have been doing since the New Testament was written? Ever think history was boring? Kill two birds with one stone and check this one out...

Diana Waring, an International speaker and an exuberant and **motivating** Historian (is that possible?) is coming to

St. Andrews Presbyterian Church Inverell. The workshop: A 90 minute, edge of the seat, look at Church History - then till now.

September 22nd • 7:00pm • Donation at the door
