Living, Laughing and Learning With Diana Waring

2 8 S E P T E M B E R

Maitland

What is the conference about?

Diana and Bill have travelled for 20 years encouraging home school families. Diana's main aim for this conference tour is to meet and encourage Australian families and get to know our culture. The workshops will cover topics to do with parenting, homeschooling, learning styles and history. They are *not* specifically targeted at families who use Diana's curriculum. She will be bringing her books and CD's and you can pre-order if you like, but there is no pressure to purchase anything.

Workshop Content

Diana's workshops are mainly geared toward general audiences and families with all beliefs. For more details on workshops refer to www.dianadownunder.com.

Lunch and afternoon tea.

Please bring a plate to share for afternoon tea. Coffee, tea and water will be provided.

Children

Breastfeeding babies and youth aged 12 and over are welcome in the sessions. If you have a teenager who would like to supervise children for a small payment, please let us know. Limited space for child minding at \$3 each Needs to be **PRE BOOKED**

The indispensable ingredient

The most important element in your curriculum is you. Diana has been there, knows what you are experiencing, and has talked with many others in your position. She will express your heart's cry that your children would grow in character and knowledge, and encourage you that you can get it done. Through Diana's transparent examples and practical suggestions, this workshop will help you understand the pivotal role you play as a mentor, a model, and a facilitator in your child's education

Unlocking the mysteries of the Middle ages.

Join Diana for one of her specialties: a whirlwind tour through one thousand years of colourful characters, world changing events and God's faithfulness! Beginning with the fall of Rome and continuing all the way up to Gutenberg's printing press, you will finally understand what is important and whom to follow in this mysterious millennium.
Seat belt use suggested--you're going to move fast!

Beyond Survival

Join Diana as she shares a very transparent description of the beginning days in her homeschooling, including the struggles and failures she experienced as she unsuccessfully tried to create school at home. Learn how she went from "barely surviving" to finding great joy on the journey with her children

Special extra special Evening with Diana (for Moms only)

This talk looked so inspiring, I wanted to include it somehow but without having the guys hanging around at the conference

Things I wish I'd known.

Having homeschooled three children who are now all in their twenties, Diana has an almost limitless list of things she wishes she'd known about homeschooling and parenting! Come and learn from her mistakes, which are told in the unique style of transparent humour Diana is known for. Prepare to laugh (and, perhaps, cry) and to emerge refreshed

This will be a cosy 'fireside chat' style evening. **BYO** plate of nibbles to share for a meal.

Please **RSVP** on your registration form.
