## CONFERENCE

# Living, Laughing and Learning

With

# Diana Waring

16 - 17 OCTOBER

# Melbourne

## What is the conference about?

Diana and Bill have travelled for 20 years encouraging home school families. Diana's main aim for this conference tour is to meet and encourage Australian families and get to know our culture. The workshops will cover topics to do with parenting, homeschooling, learning styles and history. They are *not* specifically targeted at families who use Diana's curriculum. She will be bringing her books and CD's and you can pre-order if you like, but there is no pressure to purchase anything.

## Workshop Content

Diana's workshops are mainly geared toward general audiences and families with all beliefs. For more details on workshops refer to [www.dianadownunder.com](http://www.dianadownunder.com). Workshops containing overtly Christian content have been scheduled for the last session on Saturday.

## Lunch and afternoon tea.

Please bring a plate to share for afternoon tea. Coffee, tea and water will be provided.

BYO lunch or make use of the local Werribee Plaza, Milk bar, or Hoppers Crossing mall.

## Children

Breastfeeding babies and youth aged 12 and over are welcome in the sessions.

## Curriculum Supplies

There will be a limited number of curriculum suppliers at the conference. If you sell a product which is specifically suitable for home schoolers and would like to bring it along, please contact us.

## Helping

Please let us know if you are able to help on the day, we need people to assist with registrations, set up, tea / coffee etc.

## Saturday 17<sup>th</sup> October 2009

### 10 am Not just your average genius

In this fast-paced, easy-to-understand workshop, you will distinguish three different grids that impact the unique way each one in your family learns: learning modalities (visual, auditory, kin-aesthetic); learning styles (Feeler, Thinker, Sensor, Intuitor); learning intelligences (interpersonal, intrapersonal, linguistic, spatial, math-logical, bodily-kinaesthetic, musical, naturalist).

**\*\*11.30 am Lunch\*\***

### 12.30 pm The indispensable ingredient

The most important element in your curriculum is you. Diana has been there, knows what you are experiencing, and has talked with many others in your position. She will express your heart's cry that your children would grow in character and knowledge, and encourage you that you can get it done. Through Diana's transparent examples and practical suggestions, this workshop will help you understand the pivotal role you play as a mentor, a model, and a facilitator in your child's education

**\*\*2 pm Afternoon Tea\*\***

### 2.30 pm The well kept secret of a biblical education

The Bible is our plumb line, our standard of knowing truth. Most Christians intrinsically understand that it is radically different than what our culture tells us, but how much have the prevailing culture and our own school experiences influenced our views on education, even in homeschooling?
